

Galaxy Skating Center

Learn-to-Skate Class

Time of Class – The Learn-to-Skate Class starts at 10:45 on Saturday mornings and lasts 45 minutes. The student can stay for the next session to practice what they were taught. In fact, this skating time quickens the student's learning process. The class is available for all kids, but it is designed for small kids ages 8 and under, so older kids need to understand that the class may seem kind of silly at times.

Costs — There is a one time registration fee of \$5 and each class costs \$7.50 each Saturday. This price covers the progress chart, stickers, prizes, and graduation shirt.

Skating Instructors—The instructors will be on hand to teach the students some of the finer points as well as the basics of roller skating. After graduating from the class, the students are welcome to take the Advanced Class offered during this same time for the same price.

Progress Chart—Each student will receive a progress chart and each time a skill is learned, he will receive a sticker beside that skill. The stickers will be given out at the end of each class to the students that have mastered the skill they are presently working on. When the chart is filled with stickers, he/she graduates and receives a Super Skater T-Shirt.

THE PURPOSE OF THIS CLASS IS TO PROVIDE THE KIDS IN OUR AREA WITH THE BEST OF ROLLER SKATING INSTRUCTION AS WELL AS A CLEAN, WHOLESOME, FORM OF ENTERTAINMENT FOR THE LOWEST PRICE POSSIBLE.
