Thank you for choosing Galaxy for your birthday fun. We plan to make your party a great success and EASY for you. Upon your arrival to the Galaxy Bowling Center, check in with the Front Desk. The attendant will have tokens for your guests. They can play video games while waiting for the rest of your party to arrive. Once all guests have arrived, then you are ready for your hour of bowling. The attendant will have your bowling shoes, lanes ready, and also will assist you with the automatic scoring system making sure all kids' names are entered and have the right size ball.

After the hour of bowling, everyone will go to the party area for refreshments. The Hostess will serve refreshments of a slice of pizza per child, chips, a cupcake, and a drink. A refill pitcher of drink is available for \$3.50 and extra pizzas are \$12.99 for a 14 inch-one topping. Please let your hostess know ahead of time if you would like extras. Also, if you would like to add additional bowling time, each lane can be rented for \$20 / hour. Your party comes with 20 cupcakes so if there are any remaining, they will be boxed up for you to take home. No other food or drink is to be brought in the Galaxy.

After refreshments are served, a party bag is provided for each of your guests. You may pass them out anytime that you choose. A bowling pin that can be signed by each guest will be given to your child and, also the balloon bouquet in the refreshment area is for you to take home. Cleaning will be done by the Galaxy staff so all you have to do is just enjoy watching your child and the guests have FUN!
